
Assurances

A. Each person working with animals in this protocol has been ☐ or will be ☐ provided with an Occupational Health Education and Prevention packet. (Check one)

B. (If applicable) As Principal Investigator, I have attached to this application a copy of the portion of the Methods and Procedures section of my proposed research project which describes the use of animals.

C. The information included in this IACUC application is accurate to the best of my knowledge. All personnel listed recognize their responsibility in complying with all University of Detroit Mercy policies governing the care and use of animals.

I declare that all experiments involving live animals will be performed under my supervision or that of other qualified scientists. Technicians involved have been trained in proper procedures in the handling, and in the administration of anesthetics, analgesics, and euthanasia to be used in this project.

If this project is funded by an extramural source, I certify that this application accurately reflects all procedures involving laboratory animal subjects described in the proposal to the funding agency noted above.

Any proposed revisions to, or variations from, the animal care and use data submitted as part of this
